After Sales Service & Warranty

Every reasonable precaution is taken against breakage or other damage in transit. As all goods are shipped ExWorks (origin) loaded, at Buyer's risk, Seller's responsibility ceases upon delivery of the material in good order to the carrier. Freight allowance, if any, is subject to Seller's current shipping terms. Claims against carriers are to be filed by the Buyer. It is Buyer's responsibility to inspect products upon delivery for transit damage and/or shortage. If damage or shortage is detected, it should be duly noted on the bill of lading before signing for merchandise. An inspection report should be requested of the carrier followed by a settlement claim to the carrier.

Buyer's Remedies

If the goods furnished to the Buyer shall fail to conform to the contract or to any express or implied warranty, Seller shall replace such non-conforming goods at the original destination and shall furnish instructions for their disposition, provided Seller is notified of such non-conformity or defect within 60 days of shipment.

Seller shall not be liable whether in contract or in Tort or under any other legal theory for loss of revenue, use or profit or for the cost of any labor expended on any such goods or for any special, direct, indirect, incidental or consequential damages to anyone by reason of any breach of this contract or of any express or implied warranty.
